**-Eagle Classic Debrief**

-What went well?

Dena's update:

Registration-Went great!

Schedule- fastest ever! Got it out in a week.

Referee Schedule- Great. Some people complained that they registered late and didn't get their deposit back. We want to make sure the regions aren't reffing their own teams.

-We want to keep promoting and getting new The Heights canopies, etc.

-Newton: vendors need to improve. Fruit guy went really well. No water, no coffee, no Gatorade.

-Awards were nice. Dena and Heather put the awards together including the medals, etc.

-Sunday: We want to make sure someone runs the awards out to the teams.

Improve: LIVE updated scores throughout the tournament.

Still working on closing out the financials for the tournament. Once it's closed, we will open Holiday in the Heights.

Referee deposits have been sent back.

OVERALL PROFIT: we made about 8k, we can make more with the upper division. This money helps keep the registration costs down

SNACK BAR: We want to keep the number of people down

Income: 2,750

Rough Expenses: 700 Estimated profit: just shy of 2k

Prices will go up and must be even.

Jeremy's update:

National Anthem was #1! Trash pickup went great, set up was great. Tear down was a little rough, but as always, our fabulous board members stepped up!

Region 23 referee's will be charged the deposit to ensure they send their referees next year.

Park staff was short, restrooms were dirty and understocked. Perhaps for next year we can add port-a pottys.

-We will purchase rubber mats to avoid slipping.

-Purchase flag and stand.

-Referee shirts will be ordered for those who didn't receive. Josh will give sizes to Dena.

-Purchase and/or look into a backdrop for teams to take pictures in front of and possibly a mascot for Dr. Melnik to wear. =)

-Contact Sports Pins for youth ref patches and sportsmanship pins

Silent Saturday= No cheering, no coaching, no sidelines. The only thing heard is game playing and letting the kids play their game.
